Wine Enthusiast 91 PTS (2011 Vintage): Full of black fruits, the wine is solid, still

very dense and young. Dark chocolate and coffee flavors give a bitter edge to the dense tannins, which need to be allowed to soften. Its black fruits and acidity are exuberant, and the wine will mature well **(Roger Voss, 01, Feb, 2016).**

87 PTS, by Andreas Larsson's blindtasted.com/blog/, March 2011
Wine Enthusiast: 90 PTS (2012 Vintage): Despite its richness, this is a stylish wine that exudes freshness as much as dense fruit and structure. A blend of Touriga Nacional, Syrah and Cabernet Sauvignon, all structured varieties, it still yields a generous full-bodied and rounded wine (Roger Voss, 01, Feb, 2016).
